

## Solar PV Roof Installer (Los Gatos)

Cinnamon Energy Systems (CES) is a Los Gatos-based solar, battery and electrification contractor with a heritage of over 15,000 customers since 2001. We pride ourselves on using the latest and best money-saving equipment to provide a premium experience to our customers in Silicon Valley. Our corporate culture is aligned with this high customer service goal as we strive to minimize customer energy costs and electrify their homes and businesses.

As electricity rates continue to increase while at the same time we transition to EVs and electrify our buildings with heat pumps – it becomes even more important to plan for electrification and make the right energy equipment choices. Over the past few years CES has grown to become the leading solar, battery and electrical upgrade installer in Silicon Valley. With new IRA incentives, CES is also providing heat pump HVAC, heat pump water heater and EV charger installations as part of our complete electrification services for homes and businesses.

We are currently expanding our installation team and are hiring Solar PV Roof Installers with the following responsibilities and qualifications.

### RESPONSIBILITIES

- Working on rooftops, locating roof structural members, installing flashed roof attachments
- Installing racking, inverter and solar panel components
- Working with Lead Installer to complete wiring and grounding
- Loading, unloading and cleanup of job equipment and materials

### QUALIFICATIONS

- Previous solar installation experience helpful but not required
- Full range of mobility in upper and lower body
- Ability to work in various positions including, but not limited to: stooping, standing, bending, sitting, kneeling, squatting, on ladders, and in attic areas for extended periods of time
- Ability to lift, push and pull materials and equipment to complete required tasks
- Ability to lift 50 pounds of weight frequently throughout assigned workday
- Experience with household electrical systems
- Attention to detail as if the work were done for yourself
- Clean driving record
- Professional appearance and good customer-relations skills

Cinnamon Energy Systems is an Equal Opportunity Employer. We hire without consideration to race, religion, creed, color, national origin, age, gender, sexual orientation, marital status, veteran status or disability.

Cinnamon Energy Systems conducts background checks and drug tests on all final candidates. Candidates must have valid drivers' licenses, acceptable driving record and background check, and clean drug test results.
